

**Mr. Hubert CHAN**

**Chairman & CEO**

**HKC International Holdings Limited**

Mr. Chan Chung Yee, Hubert, is the Chairman & CEO of HKC International Holdings Limited. Mr. Chan joined the Group in 1984 and is responsible for the formulation of corporate strategies and business development of the Group.

Mr. Chan has received a Bachelor's Degree in Industrial Engineering from the University of Hong Kong. He was then transferred to Japan receiving professional training on Telephone Network Design. He started the manufacturing business in 1987, and has won the CMA Machinery & Equipment Design Award and the HKITCC Technological Achievement Certificate of Merit from the Hong Kong Awards for Industry in different years. Mr. Chan has also attained an EMBA Degree from the Hong Kong University of Science and Technology, which further strengthens not only his industry experience but also his leadership in the Group with cutting-edge management knowledge.

Mr. Chan has over 20 years of experience in IT/ telecommunications industry. Under his leadership, the Group was listed in The Stock Exchange of Hong Kong Limited in 2001. The Group is now engaged in distribution, retail, and product development of IT/ telecommunications products and systems integration in Hong Kong, China, Singapore, Malaysia, Thailand and USA.

Furthermore, Mr. Chan is very active in promoting the telecommunications industry in Hong Kong. He has served as an Executive Committee Member of the Communications Associations of Hong Kong (previously known as "Internet & Telecom Association of

Hong Kong”) for over 10 years and is now occupying the post of Chairman for the current term.
