

2007 Guangdong-Hong Kong Telecommunications Seminar

The seminar was co-organized by Communications Association of Hong Kong, Guangdong Communications Association and Guangdong Communication Industry Association on 9 November in the Ramada Hotel. CAHK members were led by the Chairman, Mr. Hubert Chan and Vice Chairman, Mr. Franky Lai to attend the event. Hong Kong speakers representatives Mr Eric

Lam, Head of Division II Regulatory Affairs Branch of OFTA and Dr Xu Yan, Associate Professor, Department of Information and Systems Management of The Hong Kong University of Science and Technology, Exco member of CAHK were presented their speeches in this seminar while Mr Yu Sheng Duo of Ministry of Information Industry and Dr Hu Leming, Vice President of Guangzhou Research Institute of China Telecom Corporation Ltd were speakers representatives for Guangzhou.

Total 179 audiences attended the event. The topics of the seminar (in Chinese) were :

- ✿ 无线通信的发展思路
- ✿ 移动通信技术发展展望
- ✿ 中港移动多媒体监管环境
- ✿ 香港无线电通讯业务发展及与内地的协调

They were topics welcome by the audiences, which were especially reflected during the interactive discussion session.

CAHK would like to express special thanks to :

The partner organizers :

- Guangdong Communications Association
- Guangdong Communication Industry Association

Guest speakers :

- Mr Eric Lam, representative of OFTA
- Dr Xu Yan, Exco member of CAHK

as well as the full support of our CAHK members.

The association will carry on this kind of seminars in the future to cater for different technology and market updates for our members.
