

## *CAHK talk for Fujian Telecom 19 December 2007*

A twenty-four member delegation from Fujian Telecom invited Communications Association of Hong Kong for a talk on the communications industry in Hong Kong at the Hong Kong Polytechnic University. Mr. Tony Hau, the Honorary Advisor, represented CAHK to introduce the function of the association and the development of communications industry for Hong Kong.

The members were active in questions on the regulatory area of the Hong Kong Government in the telecommunication industry. Mr Hau expressed that the Government has applied open market policy to the telecom industry in Hong Kong and the regulatory level would be determined by the suppliers and consumers.

Regarding the Wi-Fi development in Hong Kong, he explained that it would be planned to widely cover in the city, for example the public libraries, café, further enhancement would be carried out to cover most of the public area.
