

Dear Members

Additional information on the below mentioned project for your reference :

1. The computer costs USD 210 per unit, you can choose to sponsor any number of units.
2. You can also join the volunteers group for providing regular computer skills and software training to the children, as well as to the trainers at HKFYG's Youth S.P.O.Ts and parents in the local community.

Your support are sought on OLPC project!

One Laptop per Child (OLPC), The Hong Kong Federation of Youth Groups (HKFYG), and Communications Association of Hong Kong (CAHK) will organize the 'One Laptop per Child' Project.

The Project intends to give children from Primary 1 to 6 in Hong Kong who are from low-income families/ from families without accessibility to the use computer/Internet and who are also attending the After School Care Program (ASCP) at HKFYG's Youth S.P.O.Ts (youth centers), access and usage of the OLPC laptops for learning. They will be allowed to borrow the laptop and take it home for self-learning, while also receiving trainings by the CAHK on how to use the technology throughout the program.

We strongly believe that this meaningful Project could help school-aged children, and those from disadvantaged families in particular, to engage and learn effectively with their own personal laptop, networked to the world, which is beneficial to their personal

growth and sustainable development in this competitive century.

At present, we are in the pilot run and are seeking for your great support on the following target:

Target : 100 OLPC laptops offered for borrowing and to be administered by two youth centers

Sponsorship: the sponsorship amount is estimated to be around HK\$150,000 for 100 laptops (*The donation should be addressed to OLPC which can issue receipt with tax exempt*)

Please reply to CAHK by email : info@cahk.hk , phone : 2504 2732 or fax : 2504 2752 for your interest on or before November 10, 2008.
