Business Activities

Cisco (NASDAQ: CSCO) is the worldwide technology leader that has been making the Internet work since 1984. Our people, products, and partners help society securely connect and seize tomorrow's digital opportunity today.

Cisco hardware, software, and service offerings are used to create Internet solutions that allow individuals, companies, and cities to increase productivity, improve customer satisfaction and strengthen competitive advantage. At Cisco, our vision is to change the way people work, live, play and learn.

Since the company's inception, Cisco engineers have been leaders in the development of Internet Protocol (IP)-based networking technologies. Today, with more than 72,900 employees worldwide, this tradition of innovation continues with industry-leading products and solutions in the company's core development areas of enterprise networking, as well as in security, collaboration, IoT, data center, and cloud.
