### Business Activities

NTT Communications solves the world's technology challenges by helping enterprises overcome complexity and risk in their ICT environments with managed IT infrastructure solutions. These solutions are backed by our worldwide infrastructure, including industry leading, global tier-1 public and private networks reaching over 190 countries/regions, and more than 400,000m<sup>2</sup> of the world's most advanced data center facilities. Our global professional services teams provide consultation and architecture for the resiliency and security required for your business success, and our scale and global capabilities are unsurpassed. Combined with NTT DATA, NTT DOCOMO, NTT Security, and Dimension Data, we are NTT Group.

NTT Com Asia is the East Asia headquarters of NTT Communications. Based in Hong Kong, we are responsible for Hong Kong, Macau, Taiwan and Korea markets, as well as managing our wholly-owned subsidiary HKNet.
