◆ Senior Management

Chief Executive Officer : **Raymond Cheung**
Director of Technology : **Kelvin Chan**

◆ Business Activities

Interactive Technology Limited (ITL) is a technology pioneer that provides turnkey and 3G multimedia solutions for telecom operators and enterprises worldwide. These solutions enable them to roll out diverse ranges of new value added services in the next generation communication.

Established in 1994, ITL has accumulated more than 10 years' experience in the telecom industry and has served more than 30 mobile operators throughout Asia Pacific, including China, Taiwan, Philippines, Singapore, Malaysia, Indonesia and Australia.

As one of the member companies of Syniverse Technologies, Inc., <NYSE: SVR> ITL works closely with its affiliates, including IVRS, Global Interactive Technology (GIT) and Interactive Technology Applications (ITA). The four member companies complement each other with their different technological know-how and geographical coverage.
