◆ Senior Management

Chief Executive Officer : **Steve Lo**
Managing Director - Hong Kong Operations : **Peter Yeung**
Director of Systems Integration : **Raymond Choi**

◆ Business Activities

Part of the Jardine Matheson Group, Jardine OneSolution is one of Asia's leading providers of integrated IT services and solutions. JOS has been a force in the IT industry for more than 50 years and today its customers include the best-known multinational and regional companies operating across Asia from industry sectors such as Financial Services, Trade and Commerce, Transportation and Logistics, Utilities and Telecom as well as Government.

Today JOS delivers a rich blend of IT offerings ranging from Technologies Management and Sustainment to System Integration. The company also leads the market in critical business application such as Procurement and Deployment Services - a capability that marries its depth of technological and logistical capability with rich experience in procurement and supplier management to create a compelling and increasingly popular offering. JOS employs more than 2,000 staff in eight offices in Hong Kong, China, Singapore and Malaysia.
