◆ Business Activities

Pacific Internet (Hong Kong) Limited ("Pacific Internet") is a wholly-owned subsidiary of NASDAQ-listed Pacific Internet Limited (NASDAQ: PCNTF), the largest telco-independent Internet Communications Service Provider by geographic reach in the Asia Pacific region, spanning seven countries: Hong Kong, Singapore, the Philippines, Australia, India, Thailand and Malaysia.

Pacific Internet offers broadband and Internet access, security solutions, communication solutions, web hosting and a series of value-added services to provide a total solution for both corporate and consumer customers in Hong Kong. A pioneer ICSP, founded in 1993, Pacific Internet has grown into one of the country's leading Internet service providers, and has built a solid reputation on superior customer service, backed by a strong financial position and proven success.
