### ◆ Business Activities

Telecom Digital Holdings Limited ("the Company") is a group of companies engaged in the business of providing (i) interactive mobile data services over the company's Mobitex network; (ii) mobile and IDD services and (iii) paging and information broadcasting services. Services are provided mainly in Hong Kong but also available in Mainland China and Macau.

Mango is the brand name for the Company's interactive mobile data services; mobile data network (which utilizes the Mobitex technology developed by Ericsson); and mobile data devices manufactured by the Company. The Company develops and provides product and services for consumer market and for professional users. The Company's interactive mobile data services include mobile stock trading services, mobile betting services (jointly provided by The Hong Kong Jockey Club), mobile messaging and email services as well as mobile workforce management, mobile sales force and other tailor-made solutions for corporate users. Beyond Hong Kong, Mango users also have access to extensive roaming coverage in the Guangdong Province, Beijing, Shanghai and Tianjin.

The Company is also the leading paging service provider as well as one of the most progressive Mobile Virtual Network Operators (MVNO) in the market, serving mobile subscribers in Hong Kong under the brand name of 'Rabbit'. For the dynamic population in our region, the demand for mobility and connectivity is raising and mobile services such as stock quotes, financial news, weather and traffic reports, etc will increase in popularity. The Company is now more committed than ever to introduce service enhancements as well as new products and services to satisfy the high demand from these mobile users.

### ◆ 業務概況

電訊數碼控股有限公司（下簡稱“公司”）為一集團機構，經營流動無線數據、流動電話、國際長途電話、傳訊及資料信息廣播等業務。服務範圍覆蓋香港、澳門及中國地區，亦為客戶提供各項支援及後勤服務。

公司使用由 Ericsson 發展之“Mobitex”無線數據網絡，通過以“Mango”為品牌的網絡、服務及產品，提供雙向無線數據通訊系統，短訊服務、秘書服務、以及支援各類個人通訊工具如電郵、WAP 及 ICQ 等等。客戶可透過“Mango”網絡，及“Mango”產品，進行無線股票買賣及流動投注服務（與香港賽馬會共同提供），更可因應客戶特別需求提供個別通訊解決方案。除此，“Mango”更擁有漫遊、覆蓋範圍由香港至廣東省、北京、上海及天津等地。

公司於傳呼業務處於領導地位，公司亦為香港非常進取之增值流動電話服務供應商，為流動電話客戶提供以“Rabbit”為品牌之優質流動電話服務及增值服務。隨着通訊科技之進步及普及化，客戶對重要資訊如股票行情、財經、新聞、天氣及交通報告的要求亦相繼增加。公司會繼續專注及發展優質服務及產品以滿足流動用戶之需求。
