Business Activities

Headquartered in Hong Kong with operations spanning across Hong Kong, Macau and mainland China, HKBN Group is a leading integrated telecommunications and technology services provider. It's unique tri-carrier fibre infrastructure covers over 2.57 million residential homes and 8,100 commercial buildings and facilities across Hong Kong. HKBN Enterprise Solutions ("HKBNES") is an arm of HKBN Group. Comprises a professional team and profound experience, together with HKBN's extensive tri-carrier network, HKBNES provides enterprises with one-stop comprehensive digital transformation solutions, including cloud and data centres, cybersecurity, smart and digital solutions, and more. For more information about HKBNES, please visit www.hkbnes.com

Committed to creating a lasting positive impact to wherever it operates, HKBN embraces a core purpose to "Make our Home a Better Place to Live" and has received a highest possible rating of AAA in MSCI's 2023 ESG Ratings assessment in environment, society and governance. The Group is managed by hundreds of Co-Owners (supervisory and management level Talents in the Group) who invested their savings to buy shares of HKBN Ltd. (SEHK Stock Code: 1310).
