聯會與關鍵基礎設施（電腦系統安全）團隊共聚午餐

On 30 March 30, 2026, CAHK representatives met with Mr. Francis Chan, Commissioner of Critical Infrastructure (Computer System Security), and his team during a luncheon.

The meeting focused on the Protection of Critical Infrastructure (Computer Systems) Ordinance (Cap. 653), which took effect on January 1, 2026. We believe the Ordinance will serve as an essential measure for safeguarding critical infrastructure against cyber threats.

CAHK always serves as a bridge between relevant industries and the Government, helping to identify mission priorities and practical implementation strategies. We seek to foster mutual understanding, raise industry awareness, and promote dialogue on the new regulatory framework.

CAHK company members attending the luncheon included HKBN, HKT, SmarTone, and TraxComm Limited.
