Mr. Thomas Chan Regional Manager, HK & Macau

Business Activities

Juniper is dedicated to dramatically simplifying network operations and driving superior experiences for end users. Our solutions deliver industry-leading insight, automation, security and AI to drive real business results. We believe that powering connections will bring us closer together while empowering us all to solve the world's greatest challenges of well-being, sustainability and equality.

Juniper's AI-Native Networking Platform is built from the ground up to fully harness the power of AI. From real-time fault isolation to proactive anomaly detection and self-driving corrective actions, it provides the best possible experiences for end users and IT operators alike.
