Business Activities

TraxComm Limited, a subsidiary of MTR Corporation Ltd., is the first wholesale-focused fixed network operator in Hong Kong. We focus on serving the telecom licensees to operate their cost effective & high performance telecom networks.

Our services are fiber-based and provisioned on our own infrastructure, mainly in the highly secured MTR tunnels. We provide a suite of bandwidth services including fiber services, managed bandwidth services and wavelength services.

TraxComm launched its data centre facilities in Tseung Kwan O and Tai Po Industrial Estate. Both facilities comply with ISO 27001 information security standards with Tseung Kwan O Data Centre features unique and diversified routes via TraxComm's fibre network to most data centres in Hong Kong, Tai Po Industrial Estate Data Centre boasts a rich carrier ecosystem, offering connectivity to fixed-line service providers, ISPs, and premier satellite providers.

業務概況

TraxComm Limited 是香港鐵路有限公司旗下的全資附屬機構。我們是首家以批發形式經營的固網商，以協助電訊業界客戶經營高質素及高成本效益的電訊網絡為己任。

我們以自建在香港鐵管道內的光纖網絡提供網絡骨幹服務，頻寬服務及波長服務。

TraxComm 分別在將軍澳和大埔工業邨推出了兩個數據中心設施。兩個設施均符合 ISO 27001 信息安全標準，將軍澳數據中心通過 TraxComm 的光纖網絡提供獨特和多樣化的路線，連接香港多個數據中心，而大埔工業邨數據中心擁有豐富的運營商生態系統，提供與固網服務供應商、互聯網服務供應商、及衛星供應商的連接。
