### Business Activities

CITIC Telecom International Holdings Limited (the "Company", and together with its subsidiaries the "Group") was established in 1997 in Hong Kong and was listed on The Stock Exchange of Hong Kong Limited on 3 April 2007. It is an Internet-oriented telecommunications enterprise providing comprehensive services.

The Company's services cover international telecommunications services, providing mobile international roaming, international voice, international messaging, international data and international value-added telecommunications services, etc. to global carriers (including mobile operators, fixed line operators, virtual network operators, internet operators and OTT operators). The Company is one of the largest telecommunications hubs in Asia Pacific, with "DataMall 自由行", the world's first mobile trading platform and SIMN as our self-developed products. The Company owns the whole CITIC Telecom Tower (with a floor area of approximately 340,000 sq. ft.) and has established two large-scale data centres in Hong Kong.
