Business Activities

HKT is Hong Kong's premier telecommunications service provider and a leading innovator. Its fixed-line, broadband, mobile and media entertainment services offer a unique quadruple-play experience. With diverse services including international telecommunications, enterprise solutions, big data analytics, FinTech and more, HKT enhances connectivity for the public and the business community, with continual increase in speed, capacity and coverage.

HKT is the first local mobile operator to launch a true 5G network in Hong Kong. Through differentiated value-added services, HKT enables versatile 5G applications in healthcare, construction, property management and beyond. To drive the digital transformation of enterprises, HKT delivers end-to-end integrated solutions by leveraging state-of-the-art technologies such as cloud computing, Internet of Things and artificial intelligence, contributing to Hong Kong's development into a smart city.

Riding on its massive loyal customer base, HKT has also built a digital ecosystem integrating its all-round services with its loyalty programme, e-commerce, travel and insurance. Through engaging myriad aspects of daily life, HKT maintains healthy interaction with customers to facilitate their retention, thereby securing quality performance and sustained returns.
