Business Activities

SUNeVision (SEHK: 1686), the technology arm of Sun Hung Kai Properties (SEHK: 0016), is the largest data centre provider in Hong Kong. We provide industry-leading carrier and cloudneutral data centre services with Asia's number one connectivity. We connect providers of telecommunications, cloud, ISP, CDN, OTT from local, mainland China and global with enterprises of different businesses on our Asia leading data centre ecosystem.

SUNeVision forms MEGA Campus by extending the connectivity edge from highly connected MEGA-i to other high-tier data centres, including MEGA Gateway, MEGA IDC, MEGA Plus and MEGA Two. Facilities on MEGA Campus are interconnected through a dedicated dark fibre network and around 15,000 cross-connects. Together with City PoPs of major submarine cables in our facilities, we enable our customers for direct connections to multi-cloud platforms and multi-cloud exchanges with the best connectivity in town. We are committed to supporting Hong Kong as a regional information hub and a strategic gateway to mainland China.
