Business Activities

Syniverse is the world's most connected company. We seamlessly connect the world's networks, devices and people, so the world can unlock the full power of communications.

Our secure, global technology powers the world's leading carriers, top Forbes Global 2000 companies, and billions of people, devices and transactions every day. Our engagement platform delivers better, smarter experiences that strengthen relationships between businesses, customers and employees.

For over 30 years, we have accelerated important advances in communications technology. Today we are an essential driver of the world's adoption of intelligent connectivity, from 5G and CPaaS to IoT and beyond.

Syniverse has the industry's only complete and fully integrated product line to implement transformational technologies including: 3G to VoLTE Roaming, 5G Roaming, 5G Messaging, Private Wireless Networks, and IoT Connectivity.
