Statement of Personal Data Collection

1. Personal data will only be collected for the purpose of processing application received and directly related purposes.
2. In general terms, the Communications Association of Hong Kong collects personal data for communication with its members, such as dissemination of news and announcements of the Communications Association of Hong Kong's activities.
3. CAHK reserves the right of final determination.

Association's Special Activity

We are very pleased to have Hon Duncan Chiu, LegCo Member, Functional Constituency - Technology and Innovation, to have attended CAHK EXCO Meeting on 24 February 2022. It was an effective conversation between the Government and industry representatives for exchanging and collecting views on ICT Policy.

Statement of Personal Data Collection

1. Personal data will only be collected for the purpose of processing application received and directly related purposes.
2. In general terms, the Communications Association of Hong Kong collects personal data for communication with its members, such as dissemination of news and announcements of the Communications Association of Hong Kong's activities.
3. CAHK reserves the right of final determination.

CAHK Membership 2022-2023

Renew Membership or Newly Join CAHK, You're Welcome!

The Communications Association of Hong Kong is a non-profit making organisation incorporated on 27 May 1983. CAHK is the association for Hong Kong's communications industries, with responsibilities across broadcasting, wireline and wireless communications, and other relevant business sectors in the domain of information communications technology (ICT).

Dear Members,
Please be reminded to renew the annual membership in March.

Membership benefits include not limited to networking opportunities, greater access to resources and information, or discounts on events, webinars, but more tangible privileges are seen on promotion of members' companies and their P&S.

CAHK e-Newsletter and social media posts help Members advertise themselves

Benefits to **All Members**:

- Free Advertisement on CAHK e-Newsletter and Social Media Channels
- CAHK periodic e-Newsletter is published on our website, Facebook, LinkedIn and emailed to Members and Friends
- Free Information Corner on CAHK Website for Members to for instance post ICT industry recruitment ad or establish a white paper

Premium Members enjoy usage of:

- ❖ Home Page Rotating Banner Ad for 3 weeks once a year
- ❖ Promotion of their business profile of their companies

The Scheme aims to encourage various sectors, through the provision of financial incentives, to deploy 5G technology early to foster innovation and smart city applications, and to improve efficiency of their operations and quality of their services that will contribute to enhancing Hong Kong's overall competitiveness.

Under the Scheme, the Government will subsidise 50% of the actual cost directly relevant to the deployment of 5G technology in an approved project, subject to a cap of \$500,000.

The application deadline of the Scheme has now been extended to 31 July 2022.

5G Column @eNewsletter

“5G Column” is a sharing cum learning platform to keep us abreast of what goodies the new tech brings us. Anything related to 5G development, new applications, or intriguing stories is welcome to share. No commercials insert is the only note to bear in mind.

IFTA FinTech and Innovation Achievement Awards 2021/2022 Theme: "Two Worlds, One Goal: The Virtualisation of Reality"

The IFTA FinTech and Innovation Awards 2021/2022 recognises the important nuances of the parallel physical and virtual worlds, as well as, the role that corporations and individuals play in their development within the economy. As the world shifts towards digitization, the innovations of the physical world are essential to facilitate the conceptualization of a new virtual world, where everyday experiences and activities are converted into intangible experiences. The future of FinTech will be linked to how well the physical and virtual worlds merge to enhance Hong Kong's reputation as one of the world's leading financial centers.

Application deadline: 29 April, 2022

Start-up Express is Hong Kong Trade Development Council (HKTDC)'s highly curated start-up development programme that targets start-ups offering innovative and tech products or solutions, as well as with strong desire to enter the international market.

The programme offers start-ups with unique opportunities to learn, grow and connect. Each year, 10 winners will be selected as the annual cohort who will be exposed to vigorous marketing activities and earned attention from investors, media and potential partners.

Who can apply?

- Start-ups with less than 5 years of establishment;
- Start-ups raising less than US\$10 million in funding;
- Start-ups with core or substantial operations in Hong Kong;
- Tech start-ups focusing on one of these aspects:
- FinTech, GreenTech, HealthTech, PropTech, RetailTech, Smart City

[Application](#) is now opened until 4 May, 2022.
